The Democrar is having a "boom" and make improvments cach week.

Oh, My Back!

That's a common expression and has a world of meaning. How much suffering is summed up in it.

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, over-work, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as Brown's Iron Bitters, and it does this by commencing at the foundation, and making the blood pure and rich.

Logansport, Ind. Dec. 1, 1880. Term a long time I have been a sufferer from stomach and kidney disease. My appetite was very poor and the very small amount i did ear disagreed with me. I was annoyed very much from non-retention of urine. I tried many remedies with no success, until I used Brown's Iron Bitters. Since I used that my momach does not bother me any. My appetite is simply immense. My kidney trouble is no more, and my general health is such, that I feel like a new man. After the use of Brown's Iron Bitters for one month, I have gained twenty pounds in weight.

O. B. SARGERT,

Leading physicians and clergymen use and recommend Brown's Iron Bit-TERS. It has cured others suffering as you are, and it will cure you.
